Administration.

The post of the Registrar was held by Khan Bahadur Maulvi Choudhury Afsar Ali, a member of the Bengal Civil Service holding listed appointment, and that of the Deputy Registrar by Babu Bishnupada Bhattacharjee, a member of the Bengal Civil Service. The post of the Personal Assistant to the Registrar was held by Babu Nirendra Nath Bose, an Assistant Registrar of Co-operative Societies. Babu Hem Chandra Das, Divisional Auditor, continued to act as Chief Auditor. The post of Special Officer for Co-operative marketing was held by Babu Promotha Nath Majumder from 16th November 1944 on appointment of Babu Priya Kanta Roy as Assistant Registrar. The movement continued to present various problems involving complications and difficulties which required the constant and concentrated attention from the Registrar but he could hardly attend to them effectively before the superior staff was suitably strengthened.

(i) **Assistant Registrars.**—The number of territorial Assistant Registrars remained 16 as in the previous year. Excepting only one post which was held by a member of the Bengal Civil Service, the 15 other posts were held by departmental officers. Equal proportion between the Assistant Registrars promoted from departmental officers and officers deputed from the B.C.S. or B.J.C.S. could not be maintained due to exigencies of the war requiring a larger number of officers of the B.C.S. and B.J.C.S. cadre in the general line and in the Civil Supply Department. The charges of the Assistant Registrars also became too heavy for them and it was felt necessary to split up the heavier ones. The work in the offices of the Assistant Registrars greatly suffered due to inadequacy of clerical staff and it is considered imperative to immediately strengthen the same.

(ii) **Divisional Auditors.**—As in the previous year, there were 16 Divisional Auditors attached to the offices of the Assistant Registrars. They assisted the Assistant Registrars in the Audit Branches of their offices and also in the general administration. With the expansion of the movement the works and the responsibilities of the Divisional Auditors have considerably increased and it has now become necessary to suitably raise their status and to strengthen the cadre.

(iii) **Inspectors.**—The total number of Inspectors (including 27 temporary posts) remained 145 as in the previous year. Twenty-five Inspectors were employed exclusively on the running audit of Provincial Bank, Central Banks, important Urban Banks and Marketing and Multi-purpose Societies. The staff of Inspectors was hardly adequate for proper performance of their normal duties of inspection, super audit, liquidation and arbitration work.

(iv) **Auditors.**—The total number of permanent Audit staff remained at 273 as in the previous year. Thirty-two Auditors were employed exclusively for the running audit of Central and other important societies. With the appointment of Assistant Auditors for the audit of crop loan societies the staff of Auditors could considerably be relieved from the audit of small rural societies.

(v) **Assistant Auditors.**—There was no increase in the number of Assistant Auditors which remained at 42. They were appointed on a fixed pay of Rs. 50 per month.

(vi) **Supervisors.**—Seven hundred and forty-seven Supervisors were employed by the Central Banks as against 718 of the previous year. The

Supervisors are generally a discontented band of officers who are required to do most arduous work with inadequate remuneration. The reorganisation of the services of the Supervisors has been taken up.

(vii) **Handloom staff.**—As in the last year the post of the Special Assistant Registrar for Industrial Societies maintained out of Government of India grant for development of handloom industry was held by Mr. P. G. Sen. The other special staff maintained out of the grant consisted of one Marketing Officer, 1 Designer, 2 Canvassers, 1 Slasher-sizer, 6 Weaving Experts and 13 Supervisors.

(viii) **Training and Education.**—The Training Institute which was temporarily removed to Naogaon for want of accommodation in Calcutta due to war exigencies remained at Naogaon during the year as well. The staff of the Institute consisted of one Officer-in-charge of the rank of Divisional Auditor on his grade pay plus a special pay of 20 per cent. of the grade pay +2 Inspector-Instructors and 4 Auditor-Instructors, on the grade pay plus 20 per cent. special pay. The peripatetic staff consisted of 5 units for 5 Commissioners' Divisions each consisting of one Inspector and one Auditor for 5 Commissioners' Divisions.

(ix) **Land Mortgage Bank staff.**—Nine Auditors of Co-operative Societies worked as in the previous year, as the managers of nine Co-operative Land Mortgage Banks.

(x) **Irrigation staff.**—The number of Supervisors maintained at Government cost for the supervision of Irrigation Societies remained at 10 as in the previous year.

2. The work of all grades of departmental officers continued to remain very heavy as with the increase in the number of various types of societies including Multi-purpose, Marketing, Consumers' Stores, Weavers' and Fishermen's (Artisans') Societies—there was no corresponding increase in the number of officers.

3. **Agricultural conditions.**—Weather conditions during the year under report varied considerably throughout the province. Failure of early monsoon had its adverse effect on the growth and transplantation of the paddy crops in some areas. The condition however improved somewhat in the months of August and September and compensated to some extent the damage caused earlier. The crop condition on the whole was, therefore, favourable. The outturn of *Bhadai* crop (*aus*) was however below normal due to prolonged drought in some parts and excessive rainfall in other parts of the province. Absence of rain in the months of December and January had a damaging effect on the prospects of *rabi* crops also. The jute and sugarcane crops did not fare well for want of sufficient rain. Although the distress conditions leading to the maximum rise in the price of the agricultural commodities in the preceding year, subsided to a great extent during the year, the agriculturists continued to receive a fair price for their produce.

4. **General progress of movement.**—The total number of all classes of societies rose from 41,044 to 42,191 as against a decline of 221 noticed in the preceding year. The number of Central Banks remained at 119 as in the last year. The number of Producers' Unions rose from 17 to 21 during the year. The most important new addition was the Kishoreganj Wholesalers' Multi-purpose Society, Ltd. It is a Central Wholesale Society with primary societies affiliated to it operating in each

union or the subdivision. It deals with the distribution of essential controlled commodities. The number of non-agricultural societies showed a considerable increase and rose from 1,470 to 2,425 during the year. The increase was mainly due to organisation of a number of Purchase and Sale Societies (Stores). The total number of individual members of all classes of societies registered a notable increase and it rose from 14,36,293 to 15,50,788 during the year under review. There was also a considerable increase in the number of Artisans' Societies (Fishermen and Weavers) which was due mainly to the impetus given by the scheme of rehabilitation of the artisans sponsored by the Revenue Department.

5. **Sources of working capital.**—There was a slight increase in the aggregate total working capital of all classes of societies from Rs. 2,163.07 lakhs of the previous year to Rs. 2,255.39 lakhs during the year under review. The increase represents 4.2 per cent. The increase in working capital was most perceptible in the cases of the Provincial Bank, Central Banks, Non-agricultural Credit Societies, Stores and Marketing Societies. There was a larger flow of deposits in the Provincial Bank and Non-agricultural Credit Societies. In cases of Stores and Sale or Marketing Societies, the share capital and the borrowed capital accounted for the increase in the working capital. There has also been an increase in the total aggregate owned capital of all classes of societies. The percentage between the owned capital and the working capital showed some improvement and was 30.09 per cent. during the year as against 35.92 per cent. of the last year.

6. **Members' and non-members' deposits.**—As in the previous year members' deposits were on the increase both in the agricultural and non-agricultural societies. Non-members' deposits, however, showed a decline both in the agricultural and non-agricultural societies.

7. **Profit and loss and Revenue income of Provincial Bank, Central Banks and other Societies.**—The Bengal Provincial Co-operative Bank, Ltd., worked during the year with a cash deficit of Rs. 1.92 lakhs against a surplus of Rs. 1.03 lakhs of the previous year. The deficit is due to unsatisfactory collection of interest from constituent societies. The cash surplus of the Central Banks was Rs. 21.37 lakhs as against Rs. 17.72 of the preceding year. Forty-four Central Banks could not meet their revenue expenses out of the income actually realised as against 43 of the previous year. The deficit was prominent in Taki, (2) Pandpur, (3) Madaripur, and (4) Barnasat Central Banks. The Diamond Harbour, Bhanguria and Chandanbaisha Central Banks also worked at a loss. The Agricultural Credit Societies other than Land Mortgage Banks showed a total aggregate deficit of 12.45 lakhs against 10.39 lakhs of the previous year. The Agricultural Purchase and Sale Societies including Multipurpose (Marketing) Societies earned a profit of 3.56 lakhs as against 5.44 lakhs of the previous year. The Bakarganj Sundarban Co-operative Sale and Supply Society, Ltd., with its rice mill and match factory incurred a further loss of Rs. 13,627 as against a loss of Rs. 14,010 of the previous year. The Central Co-operative Paddy Sale Society, Ltd., at Calcutta earned a profit of .02 lakhs as against .07 lakhs of the previous year. The Calcutta Milk Societies Union earned a profit of .31 lakhs as against 14 lakhs of the previous year. All the Land Mortgage Banks excepting those at Pabna and Mymensingh worked at a deficit amounting to Rs. 19 lakhs against 16 lakhs of the previous year. The Provincial Co-operative Industrial Societies Union, Ltd., at Calcutta earned a profit of Rs. .24 lakhs as against Rs. .28 lakhs of the previous year and the Bagerhat Co-operative Union, Ltd., earned a profit of .09 lakhs as against .06 lakhs of the previous year. Non-agricultural credit societies earned a total

aggregate profit of Rs. 9.69 lakhs as against Rs. 10.09 lakhs of the previous year.

8. **Primary Agricultural Credit Societies.**—The bulk of the societies were primary agricultural credit societies issuing short-term loans. These societies are yet to be developed into efficient village banks.

(i) **Issue and recovery of loans to and from primary societies.**—During the year under review a sum of Rs. 38.56 lakhs was issued as loans to affiliated societies of the Central Banks as against Rs. 33.00 lakhs of the previous year. Recoveries of Rs. 56.73 lakhs showed a very favourable excess of Rs. 12.68 lakhs over the recoveries of the previous year which amounted to Rs. 44.05. This satisfactory progress of collection was due to the improvement of collection from the members of the societies.

(ii) **Issue and recovery of loans to and from members of primary societies.**—Loans to the extent of Rs. 33.11 lakhs was issued as against Rs. 26.03 lakhs of the previous year. The increase was mostly due to issue of larger loans to individual members required for meeting higher cost of agricultural operation. The recovery of loans during the year amounted to Rs. 54.94 lakhs and compared very favourably with Rs. 47.33 lakhs of the previous year. The larger recovery during the year was possible on account of improvement of the repaying capacity of the members resulting from the high prices of agricultural commodities.

(iii) **Overdue Loans.** The overdues declined from 90.3 per cent. of the previous year to 85.1 per cent. during the year under review. The decline was due to satisfactory collection of overdue loans.

(iv) **Classification of Societies.**—The working of the primary agricultural credit societies did not show any improvement. The number of "D" class societies rose from 4,455 to 4,863 and "E" class societies from 4,094 to 4,766, respectively, during the year. The reconstitution of "D" class societies and winding up of "E" class societies presented a difficult problem specially in view of the paucity of the departmental staff.

(v) **Land Mortgage Bank.**—There were 9 Land Mortgage Banks as in the previous year. Loan amounting to Rs. 1.50 lakhs was issued to the members as against Rs. .65 lakhs of the previous year. Recoveries from members amounted to Rs. .85 lakhs. Of the 9 Land Mortgage Banks the one at Birbhum and the other at Burdwan could make considerable business while the other 7 Banks could not make any appreciable progress. The demand for fresh loans was not pressing due to high prices of Agricultural commodities.

9. **Co-operative Special Debt Settlement Boards.**—The number of Boards decreased from 202 of the last year to 201 during the year under review. There was a fall in the number of application received for settlement of debts. This is due mainly to the fact that the members are making amicable settlements with the societies after making large payments.

10. **Liquidation.**—Orders of winding up were passed in respect of 27 societies during the year as against 98 societies of the last year. Collection of assets of such societies amounted to Rs. 3.60 lakhs and this registered an increase of Rs. .94 lakhs against that of Rs. 2.66 lakhs of the previous year. The collection of audit fee from liquidated societies also showed an improvement as a sum of Rs. .30 lakhs was collected against Rs. .25 lakhs of the preceding year. Liquidation proceedings were closed in the cases of 40 societies against 105 of the last year.

11. **Audit Fees.**—The total audit fee assessed during the year under review amounted to Rs. 4.94

lakhs as against Rs. 4.97 lakhs of the previous year. The collection on account of audit fee both current and arrear amounted to Rs. 5.70 lakhs during the year and this shows an improvement over that of the last year, with the net result that the arrear on account of outstanding audit fee came down to Rs. 13.15 on the closing day of the year as against Rs. 13.79 of the preceding year. The cost of maintenance of the audit staff during the year amounted to Rs. 5.38 lakhs.

12. **Government assistance to the movement.**—The ninth instalment of Government subvention amounting to Rs. 2,00,000 was received by the Bengal Provincial Co-operative Bank, Ltd., during

the period under review. Government of India grant for the development of Handloom Industry allotted to this Province amounted to Rs. 1,03,645 as against Rs. 1,09,160 of the last year. Of this sum the share of Co-operative Department was Rs. 76,435 and the balance of Rs. 27,210 was given to the Department of Industries. This was the 10th year of such grant. The department disbursed during the year a sum of Rs. 68,000 as cost of establishment of the staff as against Rs. 96,748 in the previous year. The payment of subsidy to Land Mortgage Banks in proportion to the deficit continued during the year under review as before. A grant of Rs. 2,410 was also sanctioned to the societies organised among backward classes for enabling them to maintain proper accounts.
